City of Benson
City Council Communication

Special Meeting **September 30, 2013**

To: Mayor and Council Agenda Item # 5

From: Vicki Vivian, CMC, City Clerk

Subject:

Appointment of Council Member to fill vacancy left by resignation of Brian Crafts

Discussion:

On September 9, 2013, Councilmember Brian Crafts (whose term expires on the first business day in January, 2016) resigned from the City Council. When a Council vacancy occurs, the City Council appoints a resident to fill the vacancy.

The City Clerk's office put an ad in the News-Sun, on Cave Radio and placed flyers in the local posting locations as well as at the counters in the Finance and Administration offices requesting interested parties to complete the application process for possible consideration to be appointed to the Council Member position. Interested parties completed the application and the affidavit of qualification, which are attached for your review. Applicants were also advised that the City Council may consider another resident for the appointment.

A.R.S. §9-235 requires the Council to appoint a resident to serve "until the next regularly scheduled Council election if the vacancy occurs more than thirty days before the nomination petition deadline, otherwise the appointment is for the unexpired term." In this case, since the Council will be holding an election in the fall of 2014, the appointment will expire upon canvassing the primary election that will be held on August 26, 2014.

Any persons interested in filling the term from the canvass of the primary election in 2014 until the first business day in January, 2016 will have to run in the 2014 primary election.

1. Please state why you would like to serve.

1. I figure it's time to put my money where my mouth is. If I'm ready to tell the Council how to do its job, I should be ready to take some of the heat for making decisions for the City. I have enjoyed my "retirement" from Council, but I feel I could be of value at this time to the make-up of the Council until the next election, and I believe I bring many skills to the task that others may not have.

2. What do you believe to be the key responsibility of this position?

2. The key responsibility of a Council person is to represent the community's best interests. That includes seeing to it that the City if fiscally responsible, a duty that is of particular concern at this time. The Council has a responsibility to hire qualified personnel and to keep track of what is being accomplished, as well as to bring new ideas and opportunities before the community.

3. Please state why you believe that a Councilmember can make a community better.

3. A Council member who is well informed, open-minded, and creative can help steer the course of a city's future. A Council member needs to stay in touch with the people and what they want in their town; she needs to set a good example; and she needs to represent the City in a positive way when she is in another community or at an event in or out of town.

4. What personal and/or professional experience or background will be advantages to this appointment?

4. Please see the attached sheet listing my personal and professional experience and background, professional, business, and civic experience and offices held.

5. The Council has scheduled meetings every 2nd and 4th Monday of the month at 7:00 p.m., as well as Special meetings or Worksessions that may be called as needed. The meetings could last 2 or 3 hours. Will this be a hardship?

5. No, it will be no hardship. When I served on the Council before, I had the second best attendance record of any on the Council at that time, surpassed only by John Lodzinski. I will make City Council my highest priority.

6. Councilmembers may be asked to participate in sub-committees that meet other than the regularly scheduled meeting time. Will you be able to participate?

6. I would be delighted to participate in any committee to which I am assigned. I believe much positive work can be accomplished by committees. When I was on Council before, I represented the City on the Coronado Resources, Conservation & Development District Board.

List any Professional, trade, business, or civic activities and offices held. *You may exclude memberships which would reveal sex, race, religion, national origin, age, ancestry, or handicap or other protected status.*

Please see the attached sheet listing my personal and professional experience and background, professional, business, and civic experience and offices held.
