Worksession **April 14, 2014**

To: Mayor and Council Agenda Item # 1

From: William D. Stephens, City Manager

Subject:

Discussion and possible direction to Staff about material terms to be included in draft ordinances(s) for a Benson Economic Development Committee that will, perhaps, be subsequently considered for adoption

Discussion:

This item was placed on the agenda per the Council's direction. At the March 24, 2014 Council worksession, Council briefly discussed the committee and the terms of the committee. After the discussion and after noting there were only 4 membership applications received, Council approved extending the deadline for membership applications until April 11 and scheduled a worksession for the committee on April 14. During this worksession, Council can decide the terms and components of the committee, such as membership, voting members, etc. and Staff will create the ordinance(s) to present to Council for their review, changes and approval.

Staff Recommendation:
