SUBJECT: September Report

Attached is the September recap of Police Department calls for service, calls by type, Animal Control activity and incidents by description. The report is in the new format, Spillman Technologies provides a lot of different reporting options at this time the two attached are the ones that provide council with the information that they are used to getting from the police department. The Police Department is currently advertising for police officers and dispatchers. We had another seasoned leave the police department for DPS, unfortunately we cannot compete with the State of Arizona. We had a new officer trainee start the Police Academy at the start of the month. We are in the process of hiring a part-time Animal Control Officer.

INTEROFFICE MEMORANDUM

DATE: **October 17, 2016**

TO: **William Stephens, City Manager**

FROM: **Bob Nilson, Tourism Supervisor**

SUBJECT: **Tourism Report for September 2016**

• Our Visitor count for September 2016 was 351 as compared to 608 in August of 2015, down 257 from last year. The model train has been attracting many people this month.

• The Visitor Center is now open on Saturdays again with the return of Robin.

• We are adding to our "G" Scale model railroad layout at the Visitor Center that was provided by last year's Union Pacific Foundation grant. We have purchased an new camera system made for drones. We think it will work well as the voltage will run off our 12 volt track instead of a 9 volt battery.

• The Visitor Center staff is now creating a Halloween display area in the Northeast corner of the train track which will be visible from our camera mounted on the train.

• Our Tourism Council has gone to quarterly meetings and we will be meeting on October 26th in Bisbee.

• Below are our Visitor Counts for September of 2016
