City of Benson
City Council Communication

Regular Meeting **February 9, 2015**

To: Mayor and Council Agenda Item # 5

From: Bradley J. Hamilton, P.E. Director of Public Works/City Engineer

Subject:

Discussion and possible direction to Staff regarding the recommendation of the Benson Airport Advisory Committee to dissolve the committee and replace such with some alternative like appointment - an appointed liaison from the airport community

Discussion:

The Benson Airport Advisory Committee (BAAC) met on January 24, and approved a recommendation to Council to dissolve the committee and in its place, use a liaison, who would work with the City regarding airport business. The chairperson then presented their recommendation to the City Manager and the Airport Manager to have the item placed on the agenda for Council consideration.

Their agenda items were as follows:

6. Discussion and possible action to recommend to the City Council disbanding the Benson Airport Advisory Committee (BAAC) per the members request with future airport business that involved the BAAC being conducted through an elected airport liaison – APPROVED

7. Discussion and possible action to select and elect a Benson Airport liaison to the City of Benson – APPROVED

Should the Council decide to approve the BAAC's recommendations, Staff can be directed to prepare the necessary documentation needed to amend the City Code doing so. The proposed ordinance would then be placed before Council for action.

Staff Recommendation:
