July 27 at 8:31pm ·

Paul has done such a 360 of the shelter. The cages are no longer full and he is doing everything he possibly can to find his fur babies a perfect home. The animals seem so happy. I just rescued a six month old puppy who has been there pretty much her whole life and I couldn't of been happier with the outcome. And Paul did everything and anything to help me take her home as quickly as I could. Please do yourself a favor and go check out the animals. They're are so many good animals that need forever homes and Paul will do whatever it takes to help you
