CITY OF BENSON
INTEROFFICE MEMORANDUM

DATE: **September 15, 2016**

TO: **William Stephens, City Manager**

FROM: **Bob Nilson, Tourism Supervisor**

SUBJECT: **Tourism Report for August 2016**

• Our Visitor count for August 2016 was 325 as compared to 635 in August of 2015, down 310 from last year. I think the model train has attracted many people this month.

• The Visitor Center has been closed on Saturdays through September due to short staffing. We have Robin back and will be open again on Saturdays starting October 1st, 2016.

• We have completed our "G" Scale model railroad layout at the Visitor Center that was provided by last year's Union Pacific Foundation grant. The San Pedro News Sun ran a front page story on our train layout at the Visitor Center. It has boosted our visitation numbers. We have had several people come in and donate trains for our exhibit. We even had a gentleman from Sonora come up just to see the train layout. He took a video of the train running and sent it to some of his friends in Mexico and told us we will be getting a lot of model train enthusiasts from Mexico soon.

• The Visitor Center staff has been working on some Christmas displays based around the train layout. We are putting an area in the Northeast corner of the train track to put seasonal displays. They will be putting up a fall display first.

• Our Tourism Council will be working with Wick newspapers to produce a local tourism magazine to replace the current Traveler Magazine. We are hoping to use it as a replacement for our old Land of Legends Magazine.
