At the conclusion of an open call to the public, individual members of the public body may respond to criticism made by those who have addressed the public body, may ask staff to review a matter or may ask that a matter be put on a future agenda. However, members of the public body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action." However, in accordance with Arizona law, citizens need to understand that the City Council is not permitted to enter into a direct discussion with the citizens speaking on any issues of concern during the Call to the Public and no legal action can be taken, unless the matter is properly noticed on the agenda.

In order to speak during the Call to the Public, please complete the Call to the Public form requesting to do so.

*** Consent Agenda

The Consent Agenda will be the first item under New Business and shall list separately distinct items requiring action by the City Council that are generally routine items not requiring Council discussion. A single motion will approve all items on the Consent Agenda, including any resolutions or ordinances, or claims/invoices that are of a routine nature. A Councilmember may remove any issue from the Consent Agenda, and that issue will be discussed and voted upon separately, immediately following the Consent Agenda under its proper regular category of New Business.
