As such, Call to the Public agenda items are provided as a courtesy to allow citizens an opportunity to voice any concerns or opinions they may have regarding the City of Benson Historic Preservation Commission or other matters properly addressed to the Commission. Therefore, in accordance with Arizona Law, citizens need to understand that the Commission is not permitted to respond directly to the citizen speaking on any issues of concern during these agenda items.

*****Consent Agenda**

All items on the consent agenda are considered to be routine or have been previously reviewed by the Commission, and will be enacted by one motion. There will be no separate discussion of these items unless a Commission member so requests; in which event the item will be removed from the General Order of Business, and considered in its normal sequence of the Agenda.
