

RESOLUTION NO. 31-2000

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF BENSON, ARIZONA, DIRECTING STAFF TO PROCEED WITH THE PREPARATION OF A WRITTEN REPORT REVIEWING THE FEASIBILITY OF EXPANDING THE 302 UTILITY IMPROVEMENT ZONE TO INCLUDE THE ADJACENT WHETSTONE RANCH AND SANDS RANCH AND JENNELLA ROAD AREAS.

WHEREAS, the City of Benson has heretofore recognized the higher costs of providing water service to those areas located in the westerly and southerly areas of the City because wells located in said areas have a greater depth from surface to the static water level; and,

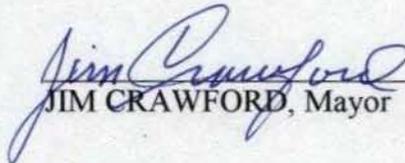

WHEREAS, the City's pumping costs are greater in those areas with greater water lifting requirements; and,

WHEREAS, it is anticipated that development will occur in the areas known as Whetstone Ranch and Sands Ranch and higher pumping costs can be expected; and,

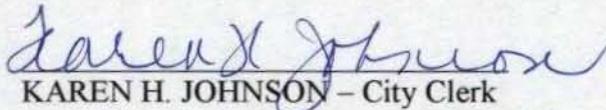

WHEREAS, the Jennella Road water service is from the same supply source as other users located in the 302 Utility Improvement Zone area with the same higher pumping costs.

THEREFORE BE IT NOW RESOLVED BY THE MAYOR AND CITY COUNCIL that the City staff undertake a review of the actual and anticipated costs of providing water service to all of the aforementioned areas and, in conjunction therewith, present this Council with a written report or supply supporting data as to the feasibility of including each of said areas in the existing 302 Utility Improvement Zone and applying the same rates and charges for water service as charged other users located in said Zone.

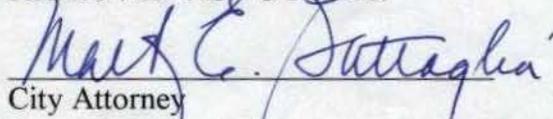

RESOLVED AND ADOPTED BY THE MAYOR AND CITY COUNCIL OF BENSON, ARIZONA, this 4th day of December, 2000.

JIM CRAWFORD, Mayor
