

Accounting, Auditing, and Financial Reporting Policy

The purpose of this Accounting, Auditing, and Financial Reporting Policy is to set guidelines on how the City will account for its financial resources and be accountable for making financial information available to the public.

Accounting and Internal Control

The City's accounting and financial reporting systems **will** be maintained in conformance with Generally Accepted Accounting Principles (GAAP), standards of the Governmental Accounting Standards Board (GASB), and the Government Finance Officers Association (GFOA).

Financial systems will be maintained to monitor operating and capital revenues, expenditures, and program performance on an ongoing basis.

The City will maintain a system of internal control to safeguard its assets against loss, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies.

Independent Audit

An annual audit of the City will be performed by an independent public accounting firm with an audit opinion to be included in the City's published Comprehensive Annual Financial Report (CAFR). An electronic copy of the CAFR will be posted online in compliance with State statutes.

Financial Reporting

External Financial Reporting: As an additional independent confirmation of the quality of the City's financial reporting, the City may annually seek to obtain the GFOA Certification of Achievement for Excellence in Financial Reporting. The CAFR, in conformity with GAAP, will be presented in a way designed to effectively communicate with citizens about the financial affairs of the City.

As an additional independent confirmation of the quality of the City's budget document, the City may annually seek to obtain the GFOA Distinguished Budget Presentation Award. The budget **will** satisfy criteria as a financial and programmatic policy document, a comprehensive financial plan, an operations guide for all organizational units, and a communication device. The Adopted Budget and Auditor General Budget forms will be posted online in compliance with State statutes.

Internal Financial Reporting: Monthly (General Fund & Enterprise Funds) and Quarterly (All funds) budget to actual financial reports will be presented to the City Council throughout the Fiscal Year. Such reports will enable the City Council to be constantly informed of the financial status of the City. These reports will be available online with the corresponding Council Packet for viewing by citizens as well.
