

The International Energy Conservation Code, 2015 Edition, as published by the International Code Council and cited appendices listed below are adopted by reference and shall be the Energy Conservation Code of the City of Benson.

The International Energy Conservation Code, 2015 Edition, adopted by the City of Benson by enacting this resolution is amended as follows:

CHAPTER 1 (CE)

SECTION C101

Amend

C101.1 Title: These regulations shall be known as the *Energy Conservation Code* of The City of Benson, hereinafter referred to as "this code".

Add sub-section

C101.4.2 Conflicting Provisions: When conflicting provisions or requirements occur between this Chapter, the technical codes and other codes or laws, the Building Official shall have the discretion to determine which provision shall apply. When conflicts occur between the technical codes, those provisions providing the greater degree of safety to life as determined by the Building Official shall govern. In other conflicts where sanitation, life safety or fire safety are not involved, the Building Official shall have the discretion to determine which provision shall apply. Where in a specific case different sections of the technical codes specify different materials, methods of construction or other requirements, the Building Official shall have the discretion to determine which provision shall apply. When there is a conflict between a general requirement and a specific requirement, the specific requirement shall be applicable.

SECTION C107

Amend

C107.1 Fees: A permit shall not be issued until the fees prescribed in Chapter 16 of the Benson City Code have been paid, nor shall an amendment to a permit be released until the additional fee, if any, has been paid.
