This Intergovernmental Agreement is between the City of Benson, hereinafter referred to as "City" and Pomerene School District, hereinafter referred to as "District," subject to the following terms and conditions:

I. Purpose

The purpose of this Agreement is to permit the parties to use each other's buildings and grounds to provide to the public an organized program of recreation and athletic activities that contribute to the physical, mental and moral welfare of the citizens of the community.

II. Authorization

Cities and school districts are authorized to carry out all activities included in this Agreement, pursuant to A.R.S. §§ 9-276(A)(1), 9-494, 15-363 and 15-364, and to enter into intergovernmental agreements, pursuant to A.R.S. §§ 15-342.13 and 11-952.

III. Term

This Agreement will commence after it has been reviewed by counsel and executed by all parties and will end on the 30th day of June, 2017. Thereafter, it may be renewed for a one-year successive term.

IV. Responsibilities of Districts

The District agrees to:

1. Allow the City to use its facilities (e.g. gymnasiums, weight room, classrooms and athletic fields) for public parks/recreation and supervised activities, provided that the City's use does not interfere with the operation or activities of the District.
2. Notify the City Manager or his designee in a timely manner if a proposed City use of facilities pursuant to this Agreement will interfere with the District's activities or operations or a custodial or maintenance schedule.
3. Continue, at no cost to the City, maintenance and custodial services of facilities, at a level at least equal to that during the year immediately preceding the initiation of this Agreement.
4. Pay any reasonable utility charges attributed to the City's use of District's facilities pursuant to this Agreement. "Reasonable" shall mean that the utility cost to the District during the time in which additional utility costs are incurred shall not to exceed five (5%) of District's utility usage for the same time period during the 2015-2016 school year.
5. Pay any utility charges attributable to the District's use of City facilities in excess of what the City is agreeing to pay under this Agreement.
6. Issue all keys the City deems essential for City use. Provide to the City Manager a list of City facilities the District wishes to use, together with a proposed use schedule, in sufficient time to allow the City to review the proposed use and notify the District whether a conflict or other unavailability exists, and if so, whether there are alternate facilities available.

V. Responsibilities of City

The City agrees to:

1. Allow the District to use City athletic fields and the City's pool for District educational and recreational programs, so long as District's activities are all appropriately supervised by the District, and provided that the School District's use does not interfere with the operating activities of the City.
2. Notify the District Superintendent or his designee in a timely manner if a proposed District use of City facilities pursuant to this Agreement will interfere with the City's activities or operations or a custodial or maintenance schedule.
3. Use District facilities solely for recreational, educational and athletic activities, including training of the City's first responders; provide adequate adult supervision of any activities, and conduct all activities in a safe, responsible manner.
4. Pay any reasonable utility charges attributed to the District's use of City facilities pursuant to this Agreement. "Reasonable" shall mean that the utility cost to the City during the time in which additional utility costs are incurred shall not to exceed five (5%) of District's utility usage for the same time period during the prior calendar year.

"Personal use" shall be defined as any use other than City approved public parks/recreation activities.
8. Ensure that any use of the District facilities complies with District prohibitions against the possession or use of drugs, alcohol, tobacco products or weapons on school property.
