K.	<p>The portion of the City's light costs to allocate to the leagues will be determined each year by City Council.</p> <p>League use program and service fees shall be charged at sixty percent of the City's hourly electric light costs for the previous calendar year; per field. Usage per league shall be based on its previous year's light usage. A new league's first year usage will be based on the league with the highest usage in the previous year. Each league will be allowed one day of tournament play during the league's regular season as established in (Chapter 11). Leagues requiring more than one tournament play during the season will be charged the daily field rental rate; per day. Leagues requesting use of fields during the off season (Chapter 11) shall be charged the hourly electric light rate per hour; per field; per day of use at sixty percent of the City's hourly electric light cost.</p> <p>City Council may adjust the rate of recovery as recommended by the City Manager. The hourly light rate per field may be increased by the City Manager as the light costs to the City increase; and Council increases the rate of recovery. Fees will be paid by the league officiator in one lump sum to the Recreation Coordinator or designee at the beginning of each season. The Recreation Coordinator will determine the City's recovery cost from the leagues using the following formula:</p> <p>Field = HR x PR = RL</p> <p>HR = Hourly Rate Per Field PR = Percent Recovered by City RL = Hourly Light Rate Allocated to League</p>	<p>Softball Field - $\\$6.756.08 \times 60\% = \\$4.053.65$</p> <p>Little League Field – $\\$4.053.65 \times 60\% = \\$2.432.19$</p> <p>Soccer Field – $\\$9.988.99 \times 60\% = \\$5.995.39$</p> <p>Sand Lot – $\\$7.406.67 \times 60\% = \\$4.444.00$</p>
