I. Purpose

The purpose of this Agreement is to permit the parties to use each other's buildings and grounds to provide to the public an organized program of recreation and athletic activities that contribute to the physical, mental and moral welfare of the citizens of the community.

II. Authorization

Cities and school districts are authorized to carry out all activities included in this Agreement, pursuant to A.R.S. §§ 9-276(A)(1), 9-494, 15-363 and 15-364, and to enter into intergovernmental agreements, pursuant to A.R.S. §§ 15-342.13 and 11-952.

III. Term

This Agreement will commence after it has been reviewed by counsel and executed by all parties and will end on the 30th day of June, 2012. Thereafter, it may be renewed for a one-year successive term.

IV. Responsibilities of Districts

The District agrees to:

1. Allow the City to use its facilities (e.g. gymnasiums, weight room, classrooms and athletic fields) for public parks/recreation and supervised activities, provided that the City's use does not interfere with the operation or activities of the District.
2. Notify the City Manager or his designee in a timely manner if a proposed City use of facilities pursuant to this Agreement will interfere with the District's activities or operations or a custodial or maintenance schedule.
3. Continue, at no cost to the City, maintenance and custodial services of facilities, at a level at least equal to that during the year immediately preceding the initiation of this Agreement.
4. Pay any reasonable utility charges attributed to the City's use of District's facilities pursuant to this Agreement. "Reasonable" shall mean that the utility cost to the District during the time in which additional utility costs are incurred by the City shall not to exceed five (5%) of District's utility usage for the same time period during the 2011-2012 school year.
5. Issue all keys deemed essential for City use. City agrees such keys shall not be copied or distributed beyond those named by the City as being entitled to the keys for City use.

V. Responsibilities of City

The City agrees to:

1. Allow the District to use City athletic fields and the City's pool for District educational and recreational programs, so long as District's activities are all appropriately supervised, and provided that the School District's use does not interfere with the operating activities of the City.

City agrees that should individuals who have been issued keys utilize the facilities for personal use or permit others to use the facilities for their personal use, City shall discipline those individuals and require such individuals to return the issued keys. "Personal use" shall be defined as any use other than City approved public parks/recreation activities.
6. Insure that any use of the District facilities complies with District prohibitions against the possession or use of drugs, alcohol, tobacco products or weapons on school property.
